Subject: ARKeX Ltd. and TGS-NOPEC ASA Labrador Sea Gravity Gradient Survey 2014-2018

Hello all: please see the attached project description for a proposed geophysical program for the Labrador Sea and Northeast NL Slope areas of the Newfoundland and Labrador Offshore Area, as proposed by ARKeX Ltd. and TGS-NOPEC ASA. I have also attached a DRAFT scoping document for your review and input as well as our letter requesting input. Please provide your response no later than January 28, 2014. If you have any questions please feel free to contact us.

Regards
Darren
