Subject: RE: BP Canada Ephesus Prospect CSEM Survey Project Description

Hello Ian,

I don't have any comments on the project description provided but I will provide specialist/expert information or knowledge (fisheries related) for this assessment going forward.

Thanks,  
Robyn

Subject: BP Canada Ephesus Prospect CSEM Survey Project Description

Hello all: please see the attached Project Description, Draft Scoping Document and letter requesting comment and identification of expertise for the proposed BP Canada Energy Group ULC Ephesus Prospect Controlled Source Electromagnetic Survey. The C-NLOPB has requested comments by close of business March 2, 2020. If no comments are received by this date the C-NLOPB will assume you have no comments on the project.

If you have any questions please feel free to contact me.

Regards,  
Ian
