Hi Darrin,

Further to my phone call, this confirms that NRCan has reviewed the documents you sent for the BP Ephesus 2019 ROV survey and has determined that it has no role in the EA at this time, based on the information reviewed.

Should you have any questions, please don't hesitate to give me a call.

Cheers,

Shelley

Hello all: please see the attached Project Description, Draft Scoping Document and letter requesting comment and identification of expertise for the proposed BP Canada Energy Group ULC 2019 ROV Video Survey. The C-NLOPB has requested comments by close of business February 1, 2019. If no comments are received by this date the C-NLOPB will assume you have no comments on the project.

If you have any questions please feel free to contact me.

Regards
Darren
