**Re: Bridgeport/JEBCO North Flemish Pass Gravity Survey, 2015-2019
Environmental Assessment**

On January 26, 2015, Bridgeport Holdings Ltd. (Bridgeport) and JEBCO Seismic (Canada) Co. (JEBCO) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an environmental assessment report for proposed aerial gravity surveys in the Grand Banks, Flemish Pass, and Jeanne d'Arc Basin areas of the northeast Newfoundland offshore between 2015 and 2019. The enclosed report "*Environmental Assessment North Flemish Pass Gravity Survey, 2015-2019*" (RPS January 2015) describes these activities for this area.

The environmental assessment report was completed in accordance with the scoping document prepared by the C-NLOPB on December 8, 2014.

Please review the enclosed environmental assessment report and forward comments no later than **March 16, 2015**. If you have any questions regarding the environmental assessment report, you may contact me at 709-778-1431 or dhicks@cnlopb.ca.

Yours truly,
