Dear Sir:

RE: North Flemish Pass Gravity Survey 2015-2019

As you are aware, Bridgeporth Holdings Ltd. (Bridgeporth) and JEBCO Seismic (Canada) Co. (JEBCO) in partnership are proposing to conduct a Non-Exclusive Geophysical program offshore Newfoundland under the jurisdiction of the Canada - Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB).

Bridgeporth received a Draft Scoping Document from the C-NLOPB on December 8, 2015. This document provided scoping information for the Environmental Assessment (EA) of the proposed gravity and magnetic survey offshore Newfoundland and Labrador in the North Flemish Pass Area.

Attached please find (12) paper copies of the Environmental Assessment and (12) CD`s of the same. CD`s are inside the cover of each copy binder. There are (3) copies in this FEDEX box and another (9) in separate box shipped at the same time.

Should you require anything further, please do not hesitate to contact me.

Yours truly,
