**RE: Project Description for CGG's Newfoundland Offshore Seismic Program, 2016-2025**

Dear Ms. Young,

CGG Services (Canada) Inc. is proposing to conduct 2D, 3D and/or 4D seismic surveys offshore Newfoundland within 2016 to 2025.

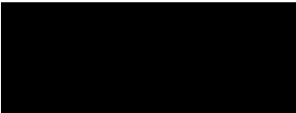

The attached document is the project description outlining our proposed work and commencement of the Canada – Newfoundland & Labrador Offshore Petroleum Board's environmental assessment process.

Please feel free to contact myself at any time with any additional information or questions.

Sincerely,

Sales and Marketing Manger
