Dear Ms. Wyatt:

Re: Chevron Canada Limited North Grand Banks Seismic Program, 2011 to 2017 CEA Act
Environmental Assessment

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB), in consultation with the Board's fishery and environmental review agencies, have reviewed the above referenced environmental assessment (EA) report.

The EA document does not satisfy all of the information requirements outlined in the Scoping Document provided to Chevron Canada Limited on February 14, 2011. In order to satisfy the requirements of the *Canadian Environmental Assessment Act* (CEA Act) and to complete the Screening Report, the attached comments should be addressed.

You may contact me at your convenience to discuss these comments. I can be reached at (709-778-1431 or dhicks@cnlopb.nl.ca
