Dear Ms. Garnet,

**SUBJECT: RESPONSES TO INFORMATION REQUIREMENTS (IRS) FOR THE  
PROPOSED WEST FLEMISH PASS EXPLORATION DRILLING PROJECT**

The Impact Assessment Agency (Agency) has completed the conformity review of Chevron Canada Limited's responses to the Information Requirements (IRs) sent to you on April 28, 2020. The Agency requires acceptable responses to IRs in order to complete its review of the EIS and to proceed with the preparation of its Environmental Assessment Report.

The Agency has determined that the IR responses are sufficient and will continue with the technical review. The Agency will review the IR responses and will seek input from government expert departments and Indigenous participants. Further information may be requested based on the outcome of the review.
