Re: Old Harry Environmental Assessment for Exploration Drilling in EL 1105

Dear Ms. Young,

Corridor Resources Inc. (Corridor) has included in this submission the final documents listed below, which incorporate edits made in response to the Completeness Review. Please note that the French edition of the Environmental Assessment (EA) will be couriered and is anticipated to arrive at the Canada-Newfoundland and Labrador Offshore Petroleum Board's office on December 21.

- 19 English copies of the EA
- 19 English and 12 French copies of the SL Ross Spill Modeling Report
- 19 English and 12 French copies of the AMEC Drill Mud and Cuttings Modeling Report
- 16 CDs with electronic copies of all the EA submission documents listed above and the French EA

If you have any questions or require any additional copies, please contact me at 902-406-8011.

Thanks

Dena Murphy
