Dear Ms. Young,

RE: Western Newfoundland 2017 CSEM Survey – Responses to Consolidated Comments on Environmental Assessment

Please find enclosed with this cover letter two copies of the French and English versions of our Responses to Consolidated Comments on the Environmental Assessment Addendum for the Western Newfoundland Controlled Source Electromagnetic (CSEM) Survey 2017. These responses address comments received by EMGS on October 5, 2017 and are also incorporated into the Consolidated Environmental Assessment Addendum which EMGS will submit.

Digital copies, in CD Format, are included with each report and both French and English digital copies, in PDF format, will also be delivered to you by email.

Please do not hesitate to contact me if you have any questions or concerns.

Best Regards,
EMGS Canada Inc.
