Dear Ms. Young:

14 June 2017

RE: Environmental Assessment Amendment of the EMGS East Canada CSEM Survey, 2014 2018.

Please find enclosed an Amendment of the Environmental Assessment of the Electromagnetic Geoservices Canada Inc. (EMGS) East Canada Controlled Source Electromagnetic (CSEM) Survey, 2014–2018.

The reason for submitting this Amendment is to remove the use of picket vessel mentioned in the mitigations summary table of the 2014 EA.

If there are any further questions arising from this submission, please do not hesitate to contact me.

Best Regards
