Dear Mr. Hicks:

**Re: Environment Assessment Amendment - Electromagnetic Geoservices Canada, Inc., East Canada
Controlled Source Electromagnetic Survey, 2014 to 2018**

Thank you for your correspondence of March 27th, 2015 and the attachment regarding the recently submitted filing by Electromagnetic Geoservices Canada, Inc.

We have reviewed the EA Amendment and have no concerns with the proposed use of an additional (concurrent) CSEM survey vessel or the proposed extension to the annual temporal window as cited.

We look forward to receiving continued updates on the CSEM survey program.

Best Regards,
