Subject: EC Response 2013-132: Electromagnetic Geoservices Canada, Inc., East Canada Controlled Source Electromagnetic Survey, 2014 to 2018 EA Addendum

Darren,

Paragraph 1, page 1. Please change "Environment Canada – CWS" to "Environment Canada".

EC has no further comments concerning the above CSEM Survey project update. However, the proponent should be reminded that results from the onboard seabird observation program should be sent to EC-CWS on an annual basis.
