Subject: RE: Revised EA Addendum for Electromagnetic Geoservices Canada, Inc., East Canada Controlled Source Electromagnetic Survey, 2014 to 2018

Darren,

Paragraph 1, page 1. I suggest that the heading “Environment Canada – CWS” (under GENERAL COMMENTS) be changed to “Environment Canada”.

EC-CWS has no further comments concerning the update to Electromagnetic Geoservices Canada’s controlled source electromagnetic survey project, including the proponent's response to the general comment relating to seabird observations is also included.
