Subject: RE: Electromagnetic Geoservices Canada, Inc., East Canada Controlled Source Electromagnetic Survey, 2014 to 2018

Hi Darren,

Due to the location of the proposed acquisition and the type of survey we have no issues with EMGS removing the use of a picket vessel, as previously indicated in their EA, for the 2017 season.

Thanks,  
Petroleum Industry Liaison  
Fish, Food and Allied Workers (FFAW) Union

Subject: RE: Electromagnetic Geoservices Canada, Inc., East Canada Controlled Source Electromagnetic Survey, 2014 to 2018

Good afternoon All: EMGS has submitted an amendment to its East Canada Controlled Source Electromagnetic (CSEM) Survey, 2014 to 2018, please see the attached. The C-NLOPB is requesting that comments be submitted by close of business July 7, 2017. If no comments are submitted by this date then the C-NLOPB will assume no comments will be submitted by your organization.

Further details on this program may be found at
