Subject: RE: ExxonMobil Canada Ltd. Eastern Newfoundland Offshore Geophysical, Geochemical, Environmental and Geotechnical Program, 2015 to 2024

Hi Darrin,

We suggest also including the Groundfish Enterprise Allocation Council (GEAC) to the list of those to be consulted (page 8 of the project description). GEAC includes offshore fishing operators such as OCI which may conduct harvesting operation in the project area. We encourage ongoing dialogue with the fishing industry in order to mitigate any potential conflicts with fishing activities.

Thanks for the opportunity to comment.

Director, Sustainable Fisheries and Ocean Policy
Department of Fisheries and Aquaculture
