Dear Mr. Hicks:

Re: ExxonMobil Canada Eastern Newfoundland Offshore Geophysical, Geochemical, Environmental and Geotechnical Survey Programs, 2015-2024 Commencement on Environmental Assessment

Thank you for your correspondence of February 5th, 2015 and the attachments regarding the recently submitted filing by ExxonMobil Canada. We have reviewed the documents and have determined that we are not in possession of specialist or expert information necessary to conduct the environmental assessment of the project. Additionally, we offer no comment on the environmental project description or scoping document.

We look forward to receiving continued updates on the proposed survey programs.

Best Regards,
