**Re: Fugro GeoSurveys Offshore Seafloor and Seep Sampling Program, 2017-2027
Environmental Assessment Report Addendum**

On September 7, 2017, Fugro GeoSurveys (Fugro) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an addendum to the environmental assessment (EA) report. The addendum addresses review comments forwarded to Fugro on August 15, 2017 that the C-NLOPB deemed to be within the scope of the environmental assessment.

Please review the attached addendum to determine if the responses provided by Fugro respecting your comments have been addressed satisfactorily. Your response should be forwarded no later than **September 22, 2017**. If no comments are received, the C-NLOPB will assume no comments will be submitted.

If you have any questions on the attached, or wish to discuss the above, please contact Darren Hicks at (709) 778-1431 or via email at dhicks@cnlopb.ca

Yours truly,
