Dear Mr. Hicks:

**Re: GX Technology Canada Ltd. 2D Seismic, Gravity and Magnetic Survey for the
Labrador Shelf Area, 2013-2015 Environmental Assessment**

Thank you for your letter of April 2, 2013 and the attachments regarding the recently submitted filings by GX Technology Canada Ltd. We have reviewed the Environmental Assessment document and have no questions or comments on the report.

We look forward to receiving continued updates on GXT's Seismic, Gravity and Magnetic Program for the Labrador Shelf.

Best Regards,

John G. Oliver
Environmental Compliance Specialist
