Attachments: 130726_GXT_Labrador Seismic_2013-15 EA Addendum_GXT Response to Review Comments.pdf

Good Afternoon,

Please see the attached response from GX Technology to the comments you provided on the “GX Technology Canada Ltd. 2-D Seismic, Gravity and Magnetic Survey for the Labrador Shelf Area, 2013 to 2015 Environmental Assessment Responses to Environmental Assessment Review Comments” (GX Technology June 14, 2013). We would appreciate receiving your response by Friday August 2, 2013.

Regards
Elizabeth Young
Environmental Assessment Officer
