Dear Mr. Pitt

**Re: GX Technology Canada Ltd. 2D Seismic, Gravity and Magnetic Survey for the
Labrador Shelf Area, 2013 to 2015 Environmental Assessment**

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB), in consultation with the Board's fishery and environmental review agencies, have reviewed the above referenced environmental assessment (EA) report.

The EA document does not satisfy all of the information requirements outlined in the Scoping Document provided to GX Technology Canada Ltd. on March 26, 2013. In order to satisfy the requirements of the *Canada-Newfoundland Atlantic Accord Implementation Act* and the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act* and to complete a report on the C-NLOPB's determination at the conclusion of the assessment, the attached comments should be addressed.

You may contact me at your convenience to discuss these comments. I can be reached at (709-778-1431 or by email at dhicks@cnlopb.nl.ca

Yours truly,
