Subject: RE: GXT seismic programs

Hi Darren,

Can you please ask GXT for a map that indicates the NS-NL boundary line overlaid with their study area so that I can see just how much of the study area goes into crab fishing areas off of Cape Breton.

Thank you for providing the opportunity to review these EAs.

Subject: links to GXT and MKI seismic programs

Hi: as a follow-up to our phone conversation this morning, below are the two weblinks to the C-NLOPB website for the GXT and MKI seismic programs. We look forward to your response.

Multi Klient Invest AS Southern Grand Banks Seismic Program, 2014 to 2018

<http://www.cnlopb.nl.ca/environment/mkisgbss.shtml>

GX Technology Canada Ltd. GrandSPAN Marine 2D Seismic, Gravity and Magnetic Survey, 2014 to 2018
