Subject: GX Technology Canada Ltd. GrandSPAN Marine 2d Seismic Gravity and Magnetic Survey 2014-2018

Hi Melissa,
We have reviewed GXT's responses to our comments and find them satisfactory. If you have any questions please let me know.

Thanks,

Bret

Hi Bret,

Sending this on behalf of Darren Hicks. GXT have provided to responses to DFO's comments on their EA Amendment. The document is attached for your review. A reply by close of business on Friday May 24, 2019 is requested (though earlier response is always appreciated).

Have a great weekend,
Melissa
