Subject: RE: GX Technology Canada Ltd. GrandSPAN Marine 2D Seismic, Gravity and Magnetic Survey, 2014 to 2018

Thanks Darren,

It looks as though they have accepted our comment without response, thus our concerns with the temporal and spatial avoidance issue remain.

Dwan: we have received a response from GXT concerning comments made on their March 3, 2016 Response to Reviewer Comments on the EA Amendment document. Please review the attached to see if the responses are satisfactory. A reply by the close of business this Friday, the 29th would be appreciated.

If you have any questions please feel free to contact us.
