Subject: GX Technology Canada Ltd. GrandSPAN Marine 2D Seismic, Gravity and Magnetic Survey, 2014 to 2018

Hello all: please see the attached project description for a proposed seismic program for the Southern Grand Banks as proposed by GX Technology. I have also attached a DRAFT scoping document for your review and input as well as our letter requesting input. Please provide your response no later than January 10, 2014. If you have any questions please feel free to contact us.

Regards  
Darren
