Distribution:

**GX Technology Canada Ltd. GrandSPAN Marine 2D-3D Seismic, Gravity and Magnetic Survey, 2014 to 2018**

---

On April 17, 2019, GX Technology Canada Ltd. (GXT) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an amendment to their GrandSPAN Marine 2D-3D Seismic, Gravity and Magnetic Survey 2014 to 2018 Project (the Project). The following documents have previously been submitted for the Project:

- *Environmental Assessment of GX Technology Canada Ltd.'s GrandSPAN 2D Seismic, Gravity and Magnetic Survey, 2014-2018* (March 2014);
- *GX Technology Canada Ltd.'s GrandSPAN 2D Seismic, Gravity and Magnetic Survey, 2014-2018 Revised Environmental Assessment Addendum* (July 2014); and
- *GX Technology Canada Ltd.'s GrandSPAN 2D-3D Seismic, Gravity and Magnetic Survey, 2014 to 2018 – 2018 Environmental Assessment Amendment* (May 2018).

The enclosed report, *GXT GrandSPAN 2D-3D Seismic, Gravity and Magnetic Survey, 2019 Environmental Assessment Amendment* (Stantec Consulting Ltd. April 2019), provides an assessment of a change in the geographic and temporal scope of the original EA to include an additional area to the north and to extend the project to 2019.

The C-NLOPB requests that you review the enclosed EA Amendment and provide comments no later than **May 9, 2019**. If no response is received from you by that date, the C-NLOPB will assume that you have no comments.

If you have any questions regarding the EA Amendment, you may contact me (709-778-1431 or [dhicks@cnlopb.ca](mailto:dhicks@cnlopb.ca)).

Yours truly,

*Original signed by Darren Hicks*
