Subject: RE: Hebron CSR - Part 1 - EMCP Response to April Comments

Good Morning Elizabeth,

TC has reviewed the revised Part1 of the April comments to the CSR and noted that new mitigations were added on page 7-93 of the revised Chapter 7. The third mitigation measure added states

"Adherence with all standard navigation procedures, Canadian Coast Guard requirements and navigation systems."

As advised in July 2010, Transport Canada has responsibility for the Canada Shipping Act and the Navigable Waters Protection Act, therefore, TC suggest re-wording to;

"Adherence with all standard navigation procedures, Transport Canada requirements, Canadian Coast Guard requirements and navigation systems."

TC has no further comments on the Part 1 Response. Please feel free to contact me should you have any questions.

Cheers,
Randy
