Dear Ms. Young:

**RE: Hebron Development Project – EC review of Proponent Information EAS 2009-056L
Response #3 Parts 1 and 2**

As requested in your letters of August 19, 2011 and August 25, 2011, Environment Canada has reviewed the third proponent response to Part 1 and Part 2 review comments for the Hebron Project.

Please be advised that Environment Canada is satisfied that the Proponent response to all outstanding issues is adequate. Environment Canada has no further comment or concern with the draft Comprehensive Study report.

I trust that this information will be of assistance in your review of this proposal. If you wish to discuss these comments or have further questions, please do not hesitate to contact me at your convenience.

Yours truly,
