Dear Mr. Burley:

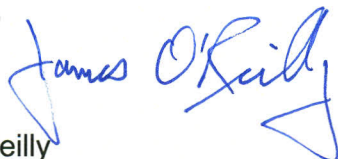

Re: Hebron Project Comprehensive Study Report - Response to Additional Comments on Part II Response Document

ExxonMobil Canada Properties ("EMCP") is submitting the enclosed to address further comments received regarding our July 20, 2011 responses to comments on the Part II Response Document and spill trajectory modelling reports (nearshore and offshore).

With the information in the enclosed responses, together with the information provided in the CSR, we believe that for the purposes of environmental assessment, the information satisfies the requirements of the scoping document respecting potential effects of a spill on the environment.

We would be pleased to meet with you in the interest of closing out any outstanding review comments. If you have any questions regarding the enclosed, please contact Kim Coady (709-752-6441).

Yours truly,

James O'Reilly
Environment and Regulatory Manager
