Dear Mr. Burley:

Re: Hebron Project Comprehensive Study Report

With reference to our letter dated September 14, 2011 submitting the Hebron Project Comprehensive Study Report (September 2011), and further to the Board's subsequent verbal feedback on the number of copies required, enclosed herein are the English and French versions of the CSR (paper and electronic copies) for submission to the Minister of the Environment and the Canadian Environmental Assessment Agency. Additional copies of the CSR will be forwarded to you under separate cover early next week.

We understand that a public review of the CSR will commence in the coming days. Should the Responsible Authorities require any input from EMCP in response to public comments arising from this review, we are available to provide such assistance.

Should you have any questions, or require further information, please contact Kim Coady, Environmental Lead (709-752-6441) at your convenience.

Yours truly,
