Dear Mr. Hicks:

**Re: Hebron Project – Response to Comments on Addendum to the 2011 Comprehensive Study Report**

As requested in your June 13, 2013 email, attached is a response to the comments submitted to the C-NLOPB by Fisheries and Oceans (DFO) and the Fish Food and Allied Workers (FFAW) Union regarding the Hebron Project CSR Addendum.

Regarding comments from DFO, EMCP as stated in the CSR and CSR Addendum is committed to following the mitigations outlined in the Statement of Canadian Practice with respect to the Mitigation of Seismic Sound in the Marine Environment. In addition, as stated on page 5 of the CSR Addendum, EMCP will contact DFO prior to the 2013 survey start date.

Should you have any questions, or require further information, please contact Kim Coady, Environmental Lead (709-752-6441), at your convenience.

Yours truly,

  
 James O'Reilly  
Environment and Regulatory Manager
