Subject: RE: Husky Energy Drill Centre Construction Installation and Operation Program, CEAR No. 06-01-17410

Darren,

ECCC has reviewed the amendment. We understand that it provides for an extension in temporal scope from 2016 to 2020. There are also minor modifications to drilling activity.

Please be advised that ECCC has no objection or concern regarding the amendment. All of our original advice continues to apply.

I trust that this is satisfactory.

Best regards,
EA Coordinator, Environmental Stewardship Branch
Environment Canada / Government of Canada

Coordinateur, Direction générale de l'intendance environnemental

Subject: RE: Husky Energy Drill Centre Construction Installation and Operation Program, CEAR No. 06-01-17410

Good day All: Husky Energy has submitted an amendment to the original Environmental Assessment (EA) for the Husky Energy Drill Centre Construction Installation and Operation Program, CEAR No. 06-01-17410. The amendment and the C-NLOPB's letter requesting comment by close of business of May 23, 2016 are attached. If you do not reply by this date then the C-NLOPB will assume that you have no comments.

Further details on this project may be found at <http://www.cnlopb.ca/assessments/hedc.php>

Regards
Darren
