**Attention: Mr. Darren Hicks**

Dear Mr. Hicks;

**Subject: Revised Environmental Assessment Review for 2016**

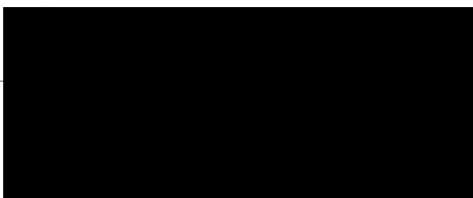

Please find enclosed a revised annual review of the Husky Delineation/Exploration Drilling Program for Jeanne d'Arc Basin Area, 2008-2017 environmental assessment that address Husky Energy's currently planned activities in the Newfoundland and Labrador Offshore Area for 2016.

A revision was required due to a change in the schedule for the abandonment of Glenwood well H-69. The revised text may be found on page 7 of the attached report.

Should you have any queries regarding this report, please do not hesitate to contact the undersigned 

Yours sincerely,
