Jòhan: I am following up with you on the above mentioned program. This letter was received yesterday, but I was out of the office on training. I am not sure if Elizabeth sent it to you yesterday, she is out today and cannot confirm that she did or not, therefore, I am sending it to you to ensure you have received it.

I believe Husky is still planning on mobilizing on the 4th, tomorrow, and their plan is to begin the program on the 8th, Monday, so it would be appreciated if you could review it in a timely manner.

Please feel free to contact me if you have questions or concerns.

Cheers
Darren
