**Annual Reconciliation of EA Scope vs
Planned Activity Scope**

Dear Ms. Young:

Enclosed please find the AMEC FW Environment and Infrastructure environmental assessment update titled *Environmental Assessment Update: Hibernia Project Operations 2016* (File No. Amec Fw TF1575218) dated February 2016. This update reflects the outcome of a review of the field work planned for 2016 and the reconciliation of this work scope with the scope of work considered in the existing Hibernia project related environmental assessments.

The report concludes the environmental effects predictions and significance determinations cited in 2009 Hibernia Drill Centres Construction and Operations Program Screening Report are valid for the planned 2016 and beyond project activities.

If you have any questions or require additional information please contact the undersigned at your convenience.

Sincerely,

Environmental Advisor

Encl.
