Subject: TRIM: RE: Hibernia Management and Development Company 2D/3D/4D Seismic Projects for the Hibernia Oil and Gas Production Field, 2013 to End of Life of the Project

Hi Darren,
Hope all is well. We would encourage the proponent to have a continued dialogue with the fishing industry in order to mitigate any potential impacts on fishing operations during the life of this project.

Thanks,
Tom

Hello all: we have received a project description from Hibernia Management and Development Company for 2D/3D/4D seismic projects for the Hibernia oil and gas production field. I have attached the project description, draft scoping document and our letter requesting comments by February 11, 2013. If you have any questions please feel free to contact myself.

Cheers
Darren
