Dear Ms. Thistle

Re: Husky Energy Jeanne d'Arc Basin/Flemish Pass Regional Seismic Program, 2012 to 2020 CEA Act Environmental Assessment

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB), in consultation with the Board's fishery and environmental review agencies, have reviewed the above referenced environmental assessment (EA) report.

The EA document does not satisfy all of the information requirements outlined in the Scoping Document provided to Husky Energy on December 20, 2011. In order to satisfy the requirements of the *Canadian Environmental Assessment Act* (CEA Act) and to complete the Screening Report, the attached comments should be addressed.

You may contact me at your convenience to discuss these comments. I can be reached at (709-778-1431 or by email at dhicks@cnlopb.nl.ca

Yours truly,
