Dear Mr. McCurdy:

Re: Hebron Development Application

I am writing to acknowledge receipt of the Hebron Development Application documents on April 15, 2011. Staff will undertake a formal completeness review of these documents and will advise you of the results in due course. Once the completeness review is concluded, the application will undergo a formal public review process. The style of the public review will be communicated to you at that time.

We also acknowledge your advice that the Benefits Plan will be provided at a later date.

In the meantime, the Board has decided to make the application available on our website in consideration of our ongoing focus on transparency and openness.

If you have any questions, please contact me at 778-1456.

Sincerely,

Max Ruelokke, P. Eng.
Chairman & CEO
