**Subject :Seabed sampling activities offshore Newfoundland and Labrador, 2015 – EA Report**

Dear Adam,

Following receipt of your Final Scoping Document, please find attached our Environmental Assessment Report which has addressed the recommendations made.

As discussed in previous correspondence we are submitting this report prior to our consultation meetings in order to progress the time schedule with an aim to commence this program as soon as possible. We will follow up this report with an Addendum addressing the aspects covered during the consultation meetings.

The meetings are scheduled as indicated below :-

1. **Nunatsiavut Government**  
14:00hrs on Monday the 8<sup>th</sup> June at Stantec offices, St Johns.
2. **One Ocean / FFAW**  
09:00hrs on Tuesday the 9<sup>th</sup> June at Stantec offices, St Johns.
3. **CNLOPB**  
14:00hrs on Wednesday the 10<sup>th</sup> June at CNLOPB offices, St Johns.

Yours sincerely,
