Subject: RE: MKI responses to comments dated August 15th, 2012 for their NE NL Slope 2D seismic program CEAR #, 11-01-65425

Hi Darren,

I would say that it appears to be satisfactory. I will send a more formal response tomorrow!

Greetings
Jóhan Joensen
Petroleum Industry Liaison
FFAW

Subject: MKI responses to comments dated August 15th, 2012 for their NE NL Slope 2D seismic program CEAR #, 11-01-65425
Importance: High

Johan: Please see the attached response from MKI to your respective outstanding issues of the EA Report. Please reply to me as soon as possible if they are satisfactory or not. I will be in contact with you tomorrow to get an idea when a formal response from yourselves is possible.

Cheers
Darren
