Dear Mr. Hicks:

***Re: Response to Reviewer Comments on the Environmental Assessment of
Multiklient Invest Newfoundland and Labrador Offshore Seismic Program,
2017-2026 Addendum***

As requested in your email of March 8, 2018, Fisheries and Oceans Canada (DFO) has reviewed the response provided by Multiklient Invest to follow-up on comments DFO provided in December 2017 on the above noted document.

Please be advised that our comments have been satisfactorily addressed. Thank you for providing the opportunity to review and provide comment on the EA Addendum.

Sincerely,

Kimberley Keats
