Mr. Jerry Witney
Vice-President, North America MultiClient
Petroleum Geo-Services Inc.
15375 Memorial Drive, Suite 100
Houston, Texas 77079

Dear Mr. Witney:

Re: Environmental Assessment of Multiklient Invest AS Newfoundland and Labrador Offshore Seismic Program, 2017 to 2026 Addendum

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB), in consultation with the Board's fishery and environmental review agencies, have reviewed the above referenced environmental assessment (EA) addendum, *Environmental Assessment of Multiklient Invest AS Newfoundland and Labrador Offshore Seismic Program, 2017 to 2026 Addendum* (LGL November 2017).

In order to satisfy the requirements of the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Act* and the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act* and to complete a report on the C-NLOPB's determination at the conclusion of the assessment, the attached comments should be addressed.

You may contact me at your convenience to discuss these comments. I can be reached at 709-778-1431 or by email at dhicks@cnlopbc.ca.

Yours truly,
