Subject: RE: Multiklient Invest AS Newfoundland and Labrador Offshore Seismic Program, 2017-2026

Hi Darren,

We appreciate the improved planning and activity reports that are described by the Addendum, but our concerns continue to exist, and some wordsmithing of the report are not sufficient to address our concerns on the relationship between seismic exploration activity and catch rates experienced by our harvesters.

Cheers,

Kris Vascotto

Good morning All: please see the attached EA Addendum for the above mentioned project. The C-NLOPB requests that you review the Addendum and determine if your comments have been satisfactorily addressed. Your response should be forwarded no later than December 13, 2017.

If no comments are received, the C-NLOPB will assume no comments will be submitted.

If you have any questions please feel free to contact us. Further details on this program may be found here <http://www.cnlopb.ca/assessments/mkiasseis.php>.

Regards
Darren
