Dear Ms. Keats:

On September 10, 2021, Multiklient Invest (MKI) submitted the enclosed report to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) as responses to the *Amendment of Environmental Assessment of Multiklient Invest Newfoundland Seismic Program, 2018-2023* (LGL February 10 2020). The *MKI Response to Reviewer Comments (25 March 2020) on the Amendment of Environmental Assessment of Multiklient Invest Newfoundland Seismic Program, 2018-2023* (LGL September 10, 2021) has been submitted in support of MKI's request to remove the specific 7-day/30-km temporal/spatial buffer from the mitigation protocol.

The C-NLOPB requests that you review the enclosed and provide comments no later than **October 4, 2021**. If no response is received from you by the date indicated above, the C-NLOPB will assume that you have no comments.

If you have any questions regarding the EA Amendment, you may contact me (709-778-1431 or dhicks@cnlopb.ca).
