Hi Darren,

Due to the timing of when the notice was sent (Dec 20th) and the review period taking place entirely over the Christmas holidays, I hope this late reply can be accommodated. Please confirm.

The Nunatsiavut Government is in specialist and expert information with regards to this future environmental assessment. We would like to participate fully in the MKI environmental assessment.

Thank you very much

Good afternoon: this is an email reminder that comments on the project description and draft scoping document were due this past Friday, January 6, 2017. If you are intending on submitting comments could you please indicate when we may expect their submission. If the C-NLOPB does not hear back then we will assume no comments will be submitted.

Regards
Darren
