Dear Ms. Young:

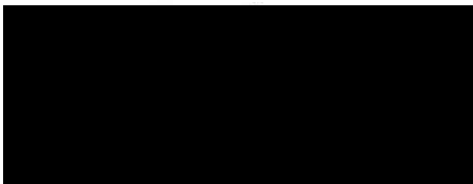

Re: 2017-2026 Multiklient Invest Newfoundland and Labrador Offshore Seismic Program
Project Description

Multiklient Invest AS, (MKI) a wholly owned subsidiary of Petroleum Geo-Services ASA is proposing to conduct 2D, 3D and/or 4D seismic surveys offshore Newfoundland and Labrador within the 2017-2026 timeframe.

Accompanying this letter is a Project Description as the first step in the Canada-Newfoundland and Labrador Offshore Petroleum Board's (C-NLOPB) environmental assessment (EA) process. This Project Description combined with the technical and scoping advice received from the C-NLOPB, other federal agencies, and stakeholders consulted by MKI will guide the preparation of an EA.

I would like to thank you for your attention to this matter and look forward to once again working with the C-NLOPB on this submission. Should you require any additional information or have any questions do not hesitate to contact me [REDACTED] at (281) 509-8000.

Kind regards,

Vice President North America MultiClient
