Dear Mr. Hicks:

Re: Amendment of the Environmental Assessment of Multiklient Invest Newfoundland Offshore Seismic Program, 2018-2023; response to reviewer comments

Multiklient Invest AS is pleased to provide responses to reviewer comments (appended to this letter) on its Amendment of the "Environmental Assessment of Multiklient Invest Newfoundland Offshore Seismic Program, 2018-2023". The Amendment considered the modification of a mitigation measure intended to decrease the potential for MKI's seismic surveys to interfere with the post-season snow crab survey.
