Re: Multi Klient Invest AS Labrador Seismic Program - latest responses

Hi Darren,

In light of the responses and commitments from Multi Klient Invest AS, the FFAW-Unifor trusts that the proponent will adhere to the mitigation commitments outline in the EA and subsequent responses to comments on the EA. FFAW-Unifor will continue to be available to the proponent for further conversation and consultation before, during and after the proposed Seismic Program.

Yours truly,

Jóhan Joensen
