Subject: RE: Multi Klient Invest AS (MKI) Southern Grand Banks Seismic Program, 2014 to 2018 - EA Amendment

Hi Darren,
Thank you for sending the amendment. I reviewed the document, and after reviewing the project location map, the comment I have is that any fisheries originating out of NS that could be impacted (possibly fisheries in the Sydney Basin/Banquereau Bank areas) should be made aware of the project and appropriately consulted. Please forward me any confirmations you receive on this.

All the best,

Elizabeth: the attached is for your information. The C-NLOPB has received an amendment to a previously assessed project whose study area encroaches in the jurisdiction of the CNSOPB.

Feel free to contact us if you wish to discuss. Further details may be found at <http://www.cnlopb.ca/environment/mkisgbss.shtml>

Regards
Darren
