Subject: RE: EA Amendment - Multi Klient Invest AS Southern Grand Banks Seismic Program, 2014 to 2018

Darren,

As the amendment for this project only makes a change from 2D to 3D surveying methods, CWS notes that the findings and mitigations regarding migratory birds from the initial project review are still valid and applicable.

Please note that other comments from EC on the initial project review are also still applicable.

Best regards

Subject: EA Amendment - Multi Klient Invest AS Southern Grand Banks Seismic Program, 2014 to 2018

Hello all: MKI has submitted an amendment for their Southern Grand Banks Seismic Program, 2014 to 2018 to include 3 dimensional seismic activities. Please review the attached EA amendment and reply with comments no later than February 3, 2015.

Regards
Darren
